

## Muskegon CC signs Caledonia & Diamonds Softball Star

Caledonia HS Senior & Diamonds Softball star, McKenzie Butgereit, signs with Muskegon CC to become a Jayhawk for the 2016 season. McKenzie will be playing her 3<sup>rd</sup> year on the Varsity team this Spring with the Fighting Scots, coming off of an incredible Junior season, where she set school records in HR's and Batting Average, as well as the Conference record for Batting Average. Butgereit will also be playing in her 8<sup>th</sup> season for Diamonds Softball, coached by her Dad, Bernie Butgereit. "It has been an honor and a privilege to coach McKenzie for 8 years at Diamonds and 11 years overall including Little League at Kentwood Baseball League. I am so proud of her and her accomplishments and will treasure the time we were able to spend together on the softball field wherever that took us. I know she will continue to work hard and be an impact player for Coach Schalk at MCC. "
